Diamond Feng Shui

Diamond Feng Shui supports you if you wish to:

- ❖ manifest better cash flow and be more successful
- ❖ find romance, friendship, the right advisors or a good team
- ❖ stay healthy and focused
- ❖ create a space that supports your goals and your soul purpose
- ❖ create an office that supports your long and short term goals
- ❖ make your house more appealing to buyers
- ❖ buy the best property or building plot
- ❖ design a new build that suits your needs and gives maximum support
- ❖ choose the optimum time to take personal and business decisions
- ❖ get support to apply your Feng Shui knowledge

1. Diamond Feng Shui consultation for homes and businesses (Diamond Dowsing is included)

This consultation includes:

- ❖ activations for your front door, best hexagram
- ❖ 20-Year Flying Star Feng Shui activations
- ❖ annual Flying Star Feng Shui activations
- ❖ your personal Kua number (four personal best directions) activations
- ❖ space Feng Shui activations for all directions
- ❖ space Feng Shui assessment: building layout, missing directions, poison arrows, furniture placement
- ❖ landscape Feng Shui assessment
- ❖ colour analysis according to 20-Year Feng Shui for each room
- ❖ Diamond Dowsing: exact positions of all dowsing cures marked on a separate floor plan, dowsing cures are provided

2. Diamond Feng Shui consultation for choosing (buying or renting) the best house, apartment, plot of land or business premises

The aim of this consultation is to find a harmonious house or premises, where the space serves its purpose and where Feng Shui aspects (personal, time, space and landscape) are supportive to people who will live or work there, long term.

This consultation includes:

- ❖ direction and position of the front door
- ❖ location of master bedroom, bedrooms, home office and living room
- ❖ for business premises, position of management offices, other offices, meeting rooms, waiting rooms, workshops etc.
- ❖ analysis of landscape features on the plot and in close proximity

- ❖ analysis of any features located on the plot itself: front gate, outbuildings, water features (pools, fountains, ponds), high trees etc.
- ❖ overall energy of the building(s) and plot

3. Diamond Feng Shui consultation for staging a house for sale or for rent event

Silver package:

This consultation includes:

- ❖ making the house appeal to, and attractive to a wide audience
- ❖ making sure that potential buyers can easily envisage themselves in the house
- ❖ identifying areas that create less positive impressions or give conflicting messages, and transform their impact
- ❖ choosing the best time to put it on the market

Time cycles bring specific energies into the three-dimensional matrix of a house. They can either make your house more appealing to buyers or just the opposite. It is important to choose a year, month and day that are supportive of your house.

Golden package:

This consultation contains the full silver package plus energy clearing: neutralising the energy of geopathic and technological stress, and its associated negativity.

4. Diamond Feng Shui for a new build; designing a house with Feng Shui principles

This programme focuses on creating a harmonious house, where the space serves its purpose and where Feng Shui aspects (personal, time, space and landscape) are supportive long term to the people who live there.

This flexible programme will typically comprise a number of consultations, over a period of time, and draws from the following aspects, where applicable:

1. Feng Shui assessment of the plot/land (if you intend to buy a plot)
2. Choosing the best location(s) and orientation(s) of the house, garage and front gate, as well as an initial best option floor plan for your architect, or Feng Shui assessment of a floor plan if you already have one
3. Follow up Feng Shui assessment(s) looking at any changes brought by you or your architect to the layout
4. Locations of additional outbuildings (home office, guest house, workshop, pool house) with the best option floor plan and/or larger water features (pond, swimming pool, stream or large fountain) if applicable
5. Feng Shui garden landscaping advice

5. Diamond Feng Shui annual update of your report

This consultation includes:

- ❖ annual Flying Star Feng Shui for your home and how it affects you
- ❖ annual Flying Star Feng Shui for your Kua number and how it affects your success, health, relationships and wisdom
- ❖ position of Grand Duke Jupiter, Three Killings and their impact on your home or business
- ❖ what spaces in your home are affected by negative yearly energies and how to neutralise them
- ❖ what spaces in your home have the strongest positive potential and how to use this to your advantage
- ❖ recommendations for the best placement of your vision board and symbols related to your goals for success, health, relationships and wisdom

- ❖ where you can or should not conduct any refurbishment, renovations, or ground works during the current year

6. Diamond Feng Shui customised packages and coaching

These consultations are recommended if you:

- ❖ are planning to do renovations, an extension or refurbishment
- ❖ want to landscape your garden with Feng Shui principles
- ❖ want to place bigger water features on your plot (swimming pool, pond, large fountain, stream etc.)
- ❖ already do Feng Shui and would like support

Optimum time selection

Would you like to have more insight into how the aspects of time may affect your life?

1. Optimum time selection for personal or business activities

This consultation focuses on:

- ❖ identifying upcoming opportunities and challenges in various aspects of your life
- ❖ helping you to choose the optimum moment to make important decisions related to your work, business, networking, health, building works, as well as to plan optimum time to rest, relax and reflect
- ❖ finding the optimum dates to avoid construction works, repairs, renovations or digging in areas affected by annual negative energies or, if we have no other choice, to reduce their negative impact

- ❖ finding the optimum dates to put a house on the market, to move into a new house, to start building or renovation works, to start a new business, new networking or marketing activities, or new health-related activities

Note: it is always advisable to choose a date well in advance as sometimes the current or even following year may not be an optimal one.

2. Personalised Feng Shui calendar

This consultation includes creating a personal calendar that gives you detailed information about the positive or negative potential for each day in relation to your success, health, relationships and wisdom. This is a great help when it comes to planning and making decisions in your personal or business life.

Personalised calendars come in 3, 6 or 12 month options.
